

## Out of Exile: A Tom Bishop Rampage

2013 International Thriller Award Nominee You can't go on the kind of spree ex-cop Tom Bishop did and not face consequences. After three years of rotting in a cell, Bishop is busted out of prison in the dead of night and thrown into the middle of a police war where the stakes are high and personal. Now, the very man who put him away calls on his help. But what starts out as a simple rescue mission escalates into an adrenaline-fuelled, action-packed thrill-ride as Bishop plunges into a web of conspiracy that threatens to destroy his soul, but may provide the truth about his past. Out of Exile is the anticipated follow-up to the award-nominated *Dark City Blue*. Gutsy characters and a high-stakes plot. This hard-assed crime thriller had me from the first page. - Greg Barron, author of *Rotten Gods* and *Savage Tide* Genuine, nail-shredding excitement. - Reading Kills
