

Promise to Pay

Henry Rothblatt has spent over twenty years building Insurance Company of America into an industry giant. Suddenly stricken with a personal health crisis, he realizes his lone failure has been not preparing a plan of succession for his beloved company. Henry appoints a longtime friend and board member as interim CEO and Vice-Chairman of his Board of Directors while he undergoes aggressive treatment to save, or at least prolong, his life. Seeing an opportunity for great personal gain the friend and the only female member of the board attempt to take over the company as Henry lies near death. With the help of those within the company who love and respect their leader, Henry attempts to fight back and save his company. But does he have the strength to do so..... does he have the time? Always intriguing, this story of the inner workings of a major insurance company is also suspenseful and erotic.
