

Destiny in Red: A Joshua Pike Thriller

Destiny in Red: A Joshua Pike Thriller is the first in a series of suspense novels spanning four generations of law officers. The tales begin with a hard as nails frontier marshal in the post-Civil War period, and blaze through to a modern-day state police captain facing the deadliest case of his career. This first installment opens before Joshua Pike's birth in the early 1800s, in circumstances as violent as the times. Pike's life is shaped greatly by the Civil War, which brings post-war crime and lawlessness to the Western territories. Of further challenge is Joey Tate, an unfortunate, mentally challenged, and abused man, who crosses paths with Joshua Pike in the last chapter. Not to be missed, this is no typical western! Notes author James R Kanon, This is my first in a series of eight planned novels. My next book will cover the twelve-year period skipped over in this work. Joshua Pike has many more stories to tell. James R Kanon was born in Gulfport, Mississippi in 1944, but left at three months of age when his engineer father was transferred to Wichita, Kansas. He still claims Wichita as home, but has retired to North Carolina where he vacationed for most of his adult life. He earned a degree in communications with a minor in journalism, but credits his writing skills to twenty-five years of Toastmasters International. The characters and stories have been in my head for years. It was just a matter of having time to put them on paper. I credit my wife Gayle with inspiring me to get started.
