

Captain Brand of the Centipede

Bound for Jamaica under the Skull and Crossbones C. S. Forester and his modern day acolytes have ensured that fictional tales of adventure on the high seas from the time of Nelson's Navy and Napoleon Bonaparte's Wars have remained almost uniquely popular to the present time—even through the now thankfully past wilderness years for the historic novel. Equally, tales of pirates plying their dastardly trade on the Spanish Main have a healthy pedigree and it would take someone who knows nothing of books not to have childhood memories of Long John Silver and that ever famous, *Treasure Island* from the able pen of Robert Louis Stevenson. So for those for whom both of the above potentially tick the boxes for reading enjoyment, Leonaur is pleased to offer this rediscovered, mid-Victorian adventure of the imaginative events that centred on Captain Brand of the Centipede. True to the style of the day this novel contains every element of adventure one could wish for in a wonderful tale of heroes and villains in conflict on the seas and oceans of the early nineteenth century. Available in softcover and hardcover with dust jacket.

We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
