

Courageous Outcast

Sarah Elizabeth Justus has always believed in her father's teachings. Except his belief that all Indians are stinking savages. Then a handsome Lakota Sioux brave enters her life, and she cannot deny the blossoming passion she feels. A passion as forcefully stirring as the anger she feels toward the sheriff, Moses Gentry, a devilish rogue who taunts and teases her every chance he gets, until she makes a decision that changes the course of all their lives! A decision that teaches her the incalculable price of passion, and the immeasurable value of love. The decision of a COURAGEOUS OUTCAST.
