

Thirty Days in Paradise

Michael Bensen, an ex-government operative, is asked by an old friend to help find his daughter, whom he last heard was in Tahiti. He reluctantly agrees to abandon his comfortable, carefree lifestyle to help his friend. How tough could it be to be paid to go to the beautiful Society Islands with his girlfriend, Diane and ask some questions? Michael encounters more than he bargained for when ancient customs meet modern day greed in the Eden of French Polynesia.
