

Fertile Ground

When new author Frances Parker first shared her poems with others, she was amazed to hear their reaction. They felt blessed, comforted, and inspired, finding encouragement in her words. Now for the first time, she shares her poetry on a large scale. *Fertile Ground: Down-to-Earth Poems of Spiritual Encouragement* serves as witness to the Lord's unconditional love and plan for our lives. Laying bare her innermost thoughts, Parker allows readers to journey alongside her, relating to her struggles and celebrating in her discovery of peace and hope. Focusing on topics related to family, nature, and spirituality, her poetry imparts wisdom in an unassuming manner, pointing always to the Creator, who is able to fulfill our deepest needs and desires above all that we ask or think (Ephesians 3:20, KJV).
