

Fire & Ice

At the height of the Cuban Missile Crisis the fate of the world rested not in the hands of Kennedy or Krushchev, but in the minds of two hunted women: FIRE & ICEA damaged Soviet nuclear submarine receives orders to attack the flagship of the American blockade with an atomic-tipped torpedo. Are the instructions authentic, or are the scientists behind the ultra-secret telepathic experiment that transmitted the command intent on destroying the world?In America and the USSR the hunt is on for the two surviving telepaths capable of stopping World War III - the two young women code named . . .FIRE & ICEFrom the depths of the ocean to the treacherous slopes of the Grand Canyon . . .From the freezing wastes of the Arctic to the tropical waters around Cuba . . .From the limitless horizons of the subconscious mind to the depths of the human heart . . .

We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
