

Going with Gabriel

Going with Gabriel is about a mans flight from his own, frighteningly important scientific discovery into what is for him a new world; a world of music and the power of music. It is also about that mans conscience and about freedom and the lack of it and about love and the lack of love. Having left behind his past life Gabriel can keep moving with his new friend Sonny Ojitsu but can he preserve his anonymity along the open road? Not if a celebrity obsessed media has anything to do with it. Definitely not if they should get to hear the faintest echo of Doctor Gabriel Nicolson's abandoned science.

We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
