

A Life in the Wild: Volume One

The horses in this extraordinary book are the poetry in motion that charts an old man's life - a life of love, loss and longing - but always intersecting with the horse, so that in the end the horse and human are almost interchangeable. As the man travels his perilous journey, trying to find out who he really is, he finds - with help from the magnificent companions at his side - that the answer lies within. Candida Baker

We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
