

Shelley: Selected Poetry and Prose (Routledge English Texts)

Critics and teachers of Shelley have tended to focus rather narrowly on his lyrics, and the width of his sensibility has not always been apparent. This edition seeks to place him more firmly in his intellectual and political context and to show the diversity of his work including his prose. A complete text of *The Defense of Poetry*, a section of *A Philosophical View of Reform*, and some shorter prose pieces give an indication of Shelley's ability to formulate views on a subject, and students are helped to see how the ideas in his poetry take shape. Shelley is accepted as a difficult poet and the notes seek to elucidate difficulties. The excitement and challenge offered by his work relate immediately to the central issues of our time and he is presented not as a fanciful or ineffectual angel but as a man trying to find coherence and hope in a period of vast change and uncertainty.

We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
