

Junior Year, 93-94

For Mia Adams, her junior year of high school brings challenges; both professionally and personally. As she works hard to achieve her goal of graduating early, she juggles unexpected dilemmas among close friends and a long distance relationship with her fiancé, Jensen Meyers, who is having his own difficulty resisting certain temptations of college life. Just when she thinks she has a grip on the disarray surrounding her life, Mia is thrust into an unexpected predicament of her own where she must make a potentially life-altering decision in order to help her fiancé deal with his state of affairs.
