

## Jack, the Young Cowboy: An Eastern Boys Experience on a Western Round-Up (Classic Reprint)

Jack scowboy life began just as a great change was sweeping over the cattle range. Cattle had first been brought into the country only a few years before old-fashioned long-horns driven up over the trail from Texas. In those days the people in the West were not many. Towns were small, farms almost unknown, wagon roads few. Except about the pastures of the larger ranches, there were no fences. Over most of the land the cowboy roamed alone. His seemed a life of romance. Free as the birds, he wandered over the wide range, going when and where he pleased. But this romance was only ap parent. No man worked harder than he, or for less reward. His toiful days and short broken nights; his small pay and his poor food were recorded in the songs that he sang as he rode about the cattle. This was in the early days of the cattle industry. A little later, on the plains came a change from pioneer conditions to those approaching luxury. The earlier cattlemen in the North those who ranged their stock on the Platte and the various forks of the Loup River made great profits. Yet as time went on they saw competition constantly growing sharper and ranges being overstocked.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
