Excerpt from Manuel Pereira, or the Sovereign Rule of South Carolina: With Views of Southern Laws, Life, and Hospitality He was a fearless navigator, yet, like many others who had yielded to the force of habit, was deeply imbued with that prevalent superstition so common to sailors, which regards a particular ship as unlucky. Imagine an old-fashioned boatswain, with north country features strongly marked, a weather-beaten face, and a painted south-wester on his head, and you have the Mister Mate -of\_ the old brig Jansen.
