

Mastery of Self for Wealth Power Success

This book brings to a close that portion of MASTERY OF SELF, which deals with the art of Success-Magnetism. Acquiring magnetism is a constructive effort. It is a building process. You are rearing a structure. You rise, from the foundation, through successive stories to the culminating peak. The most pleasing, notable structures men build from granite and steel and wood, tower like a Woolworth Building or a Rheims Cathedral higher and higher, until they finally reach a gold-tipped crown or spire, high in the sunlit sky. And so, in rearing your invisible shrine of personal Success-magnetism, we now come to the topmost peak of the structure. This book gives you the crowning inspirations, tipped and topped with the final Golden Laws of Magnetism in all Applied Life. Master these lessons in the magnetism of success, and you will go forth upon the highways and by-ways of life, endowed with a kingly confidence in your ability to win a measure of success achieved by few. - Author
