

Moonbeam

Giovanni is the author of the suspense thriller *Dedra*. In *Moonbeam*, his second novel, two pre-teen boys find themselves on the adventure of their lives. While digging a fort to occupy their summer months, they unearth a set of bones. Camping out in the fort one night, the bones take on the image of their owner, a Native American named Teak-qua. Teak-qua sends them to the past on a special horse to avenge the wrongs of the white man. They use the skills learned from various experiences, while finding love and heartbreak along the way. This unique look at life in the mid-fifties and the atrocities endured by Teak-qua's brothers will keep you entertained until the end.
