

New Taboos: Plus... (PM Press Outspoken Authors)

Mixing outlaw humour, sci-fi adventure and cutting social criticism, original Dread Lord of Cyberpunk, John Shirley, draws upon his arsenal of narrative and commentary in *New Taboos*. The title piece is Shirley's prescription for a radical re-visioning of America. A new short story, *State of Imprisonment*, is a horrifying and hilarious look at the privatization of the prison industry. The 1% get their comeuppance in *Where the Markets Hottest*. And Shirley's TED address (delivered in Brussels, 2011) presents a proudly contrarian view of the next forty years.
