

# Proceedings of the 9th International Symposium on Linear Drives for Industry Applications, Volume 1 (Lecture Notes in Electrical Engineering)

The 9th International Symposium on Linear Drives for Industry Applications (LDIA 2013) was held on July 7-10, 2013 in Hangzhou, China. The LDIA 2013 was organized by Zhejiang University, a leading comprehensive university in China, and offered a venue for leading academic and industrial researchers to exchange their views, ideas and findings on innovative technologies and sustainable solutions leading to linear drivers and intelligence applications. The conference featured keynote speakers, a panel discussion and paper presentations. The objective of the LDIA 2013 is to facilitate the exchange of information on best practices and to profile the latest research advances in the areas of linear drive technologies, control theory, information engineering, control engineering and intelligence applications, which mainly concern the fields of Engineering and Computer Science, Informatics, Communications and Control etc. The proceedings are intended for scientists, engineers and graduate students in Engineering and Computer Science, especially those focusing on linear drives.

We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
