

Rogue Herries

1930. Walpole wrote horror novels that tended more towards the psychological rather than supernatural, with a brooding underlying mysticism. This is the first volume of the Herries Chronicle, which stand among Walpoles greatest works. Rogue Herries, they called him, this haughty, swaggering, wenching vagabond gentleman who sold his mistress for thirty pieces of silver and buried a witch in his garden. But neither the wife who loved him so mutely, nor the mistresses, nor the son who loved him longest, understood his utter loneliness nor the dream of a snow white charger and a hill of ice. They could not guess the fierce longing for an unattainable ideal that sent him bitter with desire for the world that might be, reeling and carousing through the world that is. In Rogue Herries Walpole delivers a massive, vital, full-blooded novel, rich in story, rich in background and incredibly rich in the portrayal of one of the most fascinating characters in literature. See other titles by this author available from Kessinger Publishing.

We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
