

## My Spiritual Orgasm

The point at which one gets it is the most powerful experience that any of us will ever experience. Author Cindy Harris-Saldat writes about this and many other powerful moments in life in her new poetry and prose collection, *My Spiritual Orgasm*. This collection offers a compilation of diverse and inspirational material applicable to the lives of many. It describes a combination of trials and spiritual successes, taking us from our darkest moments to the enlightenment our spirit and empowering us to become the best possible people we are destined to be. From the poignancy of *Your Passage through Time* to the buoyancy of *Freedom* her verses capture the essence of the emotions of our everyday lives. As part of the collection, she also offers *Quotes for Your Day* which encourage us to think about how we approach life on a daily basis. At their core, the writings of *My Spiritual Orgasm* come from Cindy Harris-Saldat's experiences, emerging from the deepest part of her heart, soul and spirit. Changes When you believe, your world opens up Be glad for yesterdays trials For it makes us stronger For a brighter today And better changes for tomorrow You have the power within To make a choice and a change We learn by changes And grow by mistakes With belief all things are possible And good things dont always have to come to an end Rely on others But always count on yourself
