

Old Evil Comes to New Hope

Old Evil Comes to New Hope is the story of good versus evil. A centuries old Sorceress comes to the small peaceful town in pursuit of Brian, a man she is obsessed with. A man who does not wish to be found, who has hidden from her for many years. She is willing to kill everyone who gets in her way. Only three men stand between her and her desire. Will they be able to stop her from finding Brian or killing innocent people?
