

The Sword of Christ III: The Wells of God

This road God has me on, at times, gets very narrow, and when darkness settles in it is hard to see. I am Gods child but I am human, there are times when I feel my emotions taking over. I do have doubts, trials and my life isnt easy; because of who I am with God I get noticed. I am judged by others and when I am not perfect its pointed out, quickly. Its during these times that things change, the game changes, my life becomes more complicated; but thats when I get on my knees and seek answers. He shines light onto my path and leads me with his grace to his wells where he waters my soul and my life finds new beginnings.
