

Talking to Trees

Weaving coaching how to with memoir this book takes you on a journey into the newly emerging coaching paradigm. It follows a masterful coach on a ten year odyssey as he and his wife hand-build a straw-bale coaching center and home in the Rocky Mountains. Kim Krisco swooped into the coaching scene with his groundbreaking book *Leadership and the Art of Conversation*. When asked to create a second edition Krisco remarked, I can't because it represents what coaching used to be. Highly informative, pragmatic, and entertaining, *Talking to Trees* is packed with new models, tools and techniques. If you're a coach wondering if there is something more . . . or you're ready for the next big evolutionary step in your life . . . check out *Talking to Trees*. 366 pages (sides), 17 models/illustrations. Grayscale interior, color cover, 6 x 9 format.

We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
