

The Lake That Wasnt There

A new kind of science-fiction novel with not only intrigue and romance, but also new concepts in space travel and how this technology is accomplished. New entities are created from not only other planets, but also from our own planet Earth, with capabilities of new thinking regarding the criminal elements in this world, and what to do with them. Impossible to set down, and without foul language, this novel is written for the entire family to enjoy, each sentence insightful and important. The story solves ninety-five percent of the worlds major problems a truly innovative and memorable novel destined to be held in the regard of one of the classics.

We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
