

The Pirates from Sunrise Cove

BASEBALL! AND PIRATES! AND RECYCLING! What do you get when you combine ten children, a baseball field...and a pirate ship? A touching story of school kids who turn their summer vacation into a grand adventure. When ten friends discover that a pirate ship is docked nearby that is on its way to make a movie, suddenly their boring summer begins to take on new meaning. By the end of the summer, the kids, in pirate garb, will have organized a competition that will change lives, and in the process they discover the meaning of hard work, friendship, and community service.
