

Turbulence and Restoration: The Book of Drachma Book 3

...in my dream, I was right here, and by that, I mean I was sitting exactly where I'm sitting now, and I was enjoying the ale and bread that was on the table. And Craycroft was right there with what looked like a gathering of young men, and he was telling a tale; but let me tell you, it was no ordinary tale. It was of a book with men of power seeking it out; but it was eventually found by a young friar who lost everything to obtain this book. And Craycroft told us that there was one on this island who had seen this book, someone called Drachma. In *Turbulence and Restoration*, the third installment in the *Drachma* series, a riveting compilation of fantasy, magic, and medical discovery, Bob Gilson and Judy continue in their quest in search of the only man who has all the answers to their mysterious circumstances. How did they travel through time and through the ages back to the fifteenth century? Why were they there, and would they ever go back? Who was this elder of the forest responsible for their travel back in time? Would they ever meet him? And what secrets lay written in the pages of the elusive *Book of Drachma*? Find out the fate of Bob, Judy, and their medieval entourage as they journey through the island of Shepperton in search for the answers that will surely only bring more questions about their fate in a history that could forever change their future.
