

Understanding Dan: An Exegetical Study of a Biblical City, Tribe and Ancestor (The Library of Hebrew Bible/Old Testament Studies)

This book investigates the Dan/Danite tradition in the Hebrew Bible to determine not only what the Bible tells us about Dan, but also how far traditions about the territory, city, ancestor and tribe may have influenced each other. Bartusch argues that the political and theological interests reflected in the relatively late work of the Deuteronomistic Historian have cast a shadow over some earlier traditions, and that by combining social-science models and newer literary criticism with the more traditional historical-critical methodologies, the original meaning of the traditions of Dan may be recovered and clarified. The conclusion of such a study is that the Hebrew Bible as a whole does not entirely support the negative portrayal of Dan in its later traditions.

We are committed to supporting your family during their grief, recognizing that grief is personal to each individual. We acknowledge we cannot make the pain go away, but through our efforts, we can make the grief journey less lonely and perhaps.. a little easier. Excellence We will strive to create the most personal and meaningful tribute to the person who died and support any appropriate requests to commemorate the life that was lived. Attention To Details Whether the service is in our chapel, your church, home or at the graveside - we offer ideas and options to make each service unique. Value We believe you should be able to pay your respects without paying your life's savings, that's why we offer our Fair Price Guarantee. Dignity No matter what type of service you choose, your loved one will be cared for with the same dignity and compassion that we would extend to our own family. Compassion We, too, are walking the journey of grief in our own family. So we understand, in ways that only someone who has gone through a great loss, could possibly know.
